Green is directly related to nature and energy, so it is also commonly used to represent and promote 'green' products. In different cultures green carries different meanings. For example green is the national color of Ireland and is commonly associated with good luck, leprechauns, clovers, and Saint Patrick's Day.

Meaning of The Color Green - Bourn Creative

Early life and education. Jonathan Paul Ive was born on 27 February 1967 in Chingford, London, United Kingdom. His father, Michael Ive, was a silversmith who lectured at Middlesex Polytechnic, and his grandfather was an engineer. Raised just outside of London, Ive attended the Chingford Foundation School and Walton High School in Stafford where he studied sculpture and chemistry.
