Worked for me. Elegant and simple way to call stored procedures.Official notes The :data:.func construct has only limited support for calling standalone "stored procedures", especially those with special parameterization concerns. See the section :ref:stored\_procedures for details on how to use the DBAPI-level callproc() method for fully traditional stored procedures.

Injector rattle or noisy injectors need to be taken seriously.It's a precursor to expensive repair bills! The injector rattle can lead to diesel smoke, rough idle, dirty oil, poor fuel economy, and even melted pistons! CRD Fuel Enhancer fixes over 90% of injector problems, but better still it's a cheap insurance policy against expensive repairs, and contaminated diesel.
