I first read about Dan John's 5 basic movements about a year ago and it makes for a great basic template for planning a workout. Starting from those 5 Delaine has added two and it sounds like that is working for her. I don't train others, only myself, but I have added a different two to the starting 5. I call them "core" and "bounce."

The earth is not eternal; the earth, as well as time, has both a beginning and an end. Man, on the other hand, was brought into existence to endure eternally. Damnation is the just desert of all men because of the Fall of Adam, who, having been created with free will, chose to disrupt the perfectly good order established by God.
