'Shared writing' is one specific strategy that models writing in a highly effective way and is one of my favourite and most effective teaching strategies. 'Shared writing' begins with the sharing of the key information or language related to the written task, before the teacher then leads the students in co-constructing the writing, scribing the writing with targeted questioning and feedback.

A Psychologist Models Self-Therapy Through Writing. Writing. Writing is a tool we can use to discover the solutions to our problems. I write, write, write my way to my answers. When feeling angry, afraid, sad, frustrated, lonely, I just start writing...and the answers come. From my experience, I have discovered that when we write, we unlock hidden parts of ourselves and our consciousness that we may not otherwise be able to access.
